

Epistle for the First Sunday of Advent

L 
-écti-o Epístolæ be-á-ti Pauli Apóstoli ad Romá-nos.

F 
-ratres : Sci-éntes qui-a hora est jam nos de somno súrgerē. Nunc enim

própi-or est nostra sa-lus, quam cum credí-dimus. Nox præcés-sit, di-es

autem appropinquá-vit. Abji-ci-á-mus ergo ópera tenebrá-rum, et indu-á-mur

arma lu-cis. Sicut in di-e honé-ste ambu-lémus: non in comessa-ti-ónibus, et

ebri-etá-tibus, non in cubí-libus, et impudi-cí-ti-is, non in contenti-óne, et

æmu-la-ti-óne: sed indu-í-mi-ni Dó-minum Jesum Christum.
