F 
-ratres : No-lí-te esse prudéntes apud vosmet-ípsos: nulli ma-lum pro

ma-lo reddéntes: providéntes bona non tantum coram De-o, sed é-ti-am

coram ómnibus homí-nibus. Si fí-e-ri potest, quod ex vobis est, cum ómni-

bus homí-nibus pacem habéntes: Non vosmet-ípsos de-fendéntes, ca-ríssimi,

sed date locum i-ræ. Scriptum est enim: Mi-hi vindícta: ego retríbu-am,

di-cit Dóminus. Sed si esuri-é-rit i-nimícus tu-us, ciba illum: si si-tit, potum

da il-li: hoc enim fá-ci-ens, carbónes ignis cóngeres super caput e-jus. No-li

vinci a ma-lo, sed vince in bono ma-lum.
