

## Epistle for the Ascension of Our Lord

**L**   
 Ecti-o Actu-um Aposto-ló-rum.

**P**   
 Rimum quidem sermónem feci de ómnibus, o The-óphi-le, quæ cœpit  
  
 Jesus fácere et dócere, usque in di-em, qua, præcí-pi-ens Apósto-lis per  
  
 Spí-ri-tum Sanctum, quos e-légit, assúptus est: quibus et præbu-it se-ípsum  
  
 vivum post passi-ónem su-am in multis arguméntis, per di-es quadragínta  
  
 appárens e-is, et loquens de regno De-i. Et convéscens, præcépit e-is ab  
  
 Jerosó-lymis ne discéderent, sed expectárent promissi-ónem Patris, quam  
  
 audístis (inquit) per os me-um: qui-a Jo-ánnes quidem bap-ti-závit aqua, vos  
  
 autem bap-ti-zabími-ni Spí-ri-tu Sancto non post multos hos di-es. I-gi-tur

qui convénerant, interrogábant e-um, dicéntes: Dómine, si in témpore hoc

restí-tu-es regnum Isra-ël? Di-xit autem e-is: Non est vestrum nosse témpora

vel moménta, quæ Pater pósu-it in su-a potestáte: sed acci-pi-é-tis virtútem

superveni-éntis Spí-ri-tus Sancti in vos, et é-ri-tis mi-hi testes in Jerúsa-lem,

et in omni Judé-a, et Samá-ri-a, et usque ad últimum terræ. Et cum hæc

di-xísset, vidéntibus il-lis, e-levátus est, et nubes suscepit e-um ab ócu-lis

e-ó-rum. Cumque intu-eréntur in cælum e-úntem illum, ecce, du-o vi-ri

asti-térunt juxta illos in véstibus albis, qui et dixerunt: Vi-ri Ga-li-læ-i,

quid sta-tis aspi-ci-éntes in cælum? Hic Jesus, qui assúptus est a vobis in

cælum, sic véni-et, quemádmódum vi-dístis e-um e-úntem in cælum.
