D 
I-léctus De-o et homí-nibus, cu-jus memóri-a in benedicti-óne est.

Sími-lem illum fecit in glóri-a sanctórum, et magni-ficávit e-um in timóre

i-nimicórum, et in verbis su-is monstra placá-vit. Glori-ficávit illum in

conspéctu regum, et jussit il-li coram pópu-lo su-o, et osténdit il-li glóri-am

su-am. In fide et leni-táte ipsí-us sanctum fecit illum, et e-légit e-um ex

omni carne. Audí-vit enim e-um, et vocem ipsí-us, et indúxit illum in

nubem. Et dedit il-li coram præcépta, et legem vitæ et disciplínæ.
